© Pinehurst

Pinehurst, N.C.

Eight 18-hole layouts give Pinehurst the most golf of any U.S. resort (and second on earth). This slate, combined with a wide assortment of amenities, dining and lodging choices, including a grand hotel, inns, villas and condos, makes this classic a flexible enough choice to meet anyone's golf travel needs. The star of this show is Donald Ross' Number Two, the master's seminal achievement, the most historic course in the nation, and the only one on earth to host two different Majors (PGA and US Open) plus the Ryder Cup. Add a postcard-perfect village to this walk through golf history, and you have nothing less than the St. Andrews of the New World.
